The Be Like Jesus 24 Hour Servant Event is an opportunity for 3rd through 8th grade youth to be a servant like Jesus. Youth will participate in a variety of service projects that include making fleece blankets, collecting food for the food pantry, yard work, purchasing items at local stores for community organizations, and much more. Projects will be held at Faith Lutheran or the surrounding communities. Service projects will benefit the participating congregations, community and global organizations. The event will also include great music, fun activities, a chance to meet new friends, and an opportunity to grow closer in faith to God.

This event will be led by area high school or college youth and adult leaders. In addition to the student leaders, there will be an adult with every small group whenever the group is out in the community. High school youth will not transport children or themselves to any location as part of this event.

Note: 3rd through 5th grade youth will be housed at Faith Lutheran, 6th through 8th grade youth will be housed at First United Methodist.

Friends and Family are invited to join us for the closing celebration at 4:30 p.m. Saturday evening!
