June 11-17, 2018

**Monday: Jonah 1** Has there been a time in your life that you went left when God said to go right? Have you ever known God to give up on His plan for a person's life? If you are running from God, stop and pray for God's presence so that you may do His Will. If you are feeling like you and God are on a good path together, pray in thanksgiving for His presence.

**Tuesday: Jonah 2** There are times in most lives when you feel so far away from God. Imagine how far Jonah was in the belly of the fish at the bottom of the ocean. That is about as far from God as one can get; yet he prays and his prayers are heard and responded to. No matter how far you feel God is from you, pray, bearing your soul and heartache to the One who hears all.

**Wednesday: Jonah 3** What a merciful and forgiving God we have! It may be hard to conceive of this forgiveness, and it can definitely be hard to live into that forgiveness. Confess to God so that His Good purposes may be fulfilled.

**Thursday: Jonah 4** Do you get angry when God shows mercy to someone that you don't feel deserves it? Do you take on more responsibility for others than is reasonable, or can you take any comfort in leaving to God what belongs to God? God gives us a job to do, but it is up to the person and God in how it turns out. Pray for strength to do God's work, and wisdom to know when to get out of God's way.

**Friday: Matthew 12:38-42** We have just read through the book of Jonah. Does your life resemble Jonah's – running away from God, praying in hopeful despair for God, doing what God asks, and then becoming mad about the mercy shown? Pray for the presence of Jesus dwelling in your heart so that you may be the bearer of God's love to the world around you.

**Saturday: Psalm 36:5-9** Did you hear that...all people. All people may take refuge under God's protection. Humans and animals alike are saved by our God and Creator. Pray in thanksgiving for the saving protection you have in God.

**Sunday: John 13:34-36** They will know we are Christians by our love! When we live and love the way God has lived and loved us, the community around us is blessed too. Pray that your life is a reflection of God's love into this world.
